

QUOTATION / STATEMENT OF WORK

TO: Hariram Motors

Surat, Gujarat

Date: June 05, 2026**SUBJECT: Professional Website, Admin Panel, SEO & Hosting — Hariram Motors**

1. Project Overview

Development of a professional multi-page website and a feature-rich Admin Panel for **Hariram Motors**, complete with on-page SEO optimisation, domain registration, and cloud hosting setup. The platform will allow the dealership to showcase inventory, collect sell-your-car leads, manage happy customer testimonials, and run photo advertisements — all from a single secure admin dashboard.

2. Scope of Work & Deliverables

- **Website — 5 Pages:** Home, Catalog, About Us, Contact, and Sell Your Car. Fully responsive design for mobile and desktop.
- **Admin Panel — 8 Modules:** Dashboard, Inventory manager, Add Car, Add New Car, Message inbox, Happy Customer manager, Sell Your Car form data collector, and Advertisement manager.
- **Advertisement Uploader:** Photo upload system in admin with a styled photo-frame display on the public website — supports all image formats.
- **SEO Setup:** On-page SEO for all 5 pages, XML sitemap, robots.txt, Google Search Console integration, and Google My Business profile setup.
- **Infrastructure:** Premium .com / .in domain registration and 1 year of web hosting with free SSL certificate.
- **Post-Launch Support: 3 months (90 days)** of bug-fix support after go-live.

3. Project Timeline

Phase 1 Design & Setup
Wireframes, branding, hosting & domain, GitHub repo.**1-2 days****Phase 2 Frontend — 5 Pages**
All public pages, fully responsive on all devices.**3-4 days****Phase 3 Admin Panel — 8 Modules**
All admin modules, ad uploader, CRM forms.**4-5 days****Phase 4 SEO, Testing & Launch**
SEO config, QA, client walkthrough, live deployment.**5-7 days**

4. Investment Breakdown

Service Description	Cost (INR)
Frontend: Website — 5 Fully Responsive Pages (Home, Catalog, About, Contact, Sell Car)	Rs. 16,000
Backend: Custom Admin Panel — 8 Modules, CRM Forms & Advertisement Photo Frame System	Rs. 13,500
SEO: On-Page Optimisation, Google Search Console & Google My Business Setup	Rs. 1,000
Infrastructure: Domain Registration, 1-Year Web Hosting & Free SSL Certificate	Rs. 500
TOTAL PROJECT INVESTMENT	Rs. 31,000
Annual renewal after Year 1: approx. Rs. 3,000/year (hosting + domain)	

5. Payment Schedule

1	Advance Payment 20% Required to commence development, purchase domain & hosting.	Rs. 7,000
2	Milestone 1 40% Due upon completion of all 5 frontend pages & admin panel setup.	Rs. 12,000
3	Final Payment 40% Due upon final testing, bug fixing, SEO setup & project handover.	Rs. 12,000

6. Terms & Conditions

- Maintenance & Support:** The first **90 days (3 months)** of post-launch bug fixes are provided free of charge. Subsequent maintenance, hosting renewals, and domain renewals will be billed separately or under an Annual Maintenance Contract (AMC).
- Revisions:** Includes **3 rounds** of minor UI revisions before final deployment. Revision requests must be submitted within the agreed project timeline.
- Content:** Client is responsible for providing all text content, car photos, logo assets, and other media required for the website.
- Future Feature Additions:** Any new features, modules, or functionalities requested by the client after the project scope is finalised will be assessed and quoted separately. Additional work will only commence after written approval and payment of the agreed extra charges.

Sincerely,
Manthan Vaghasiya
